

CAPABILITY STATEMENT

Suttonids.com

Sutton International Development Strategies, LLC is a group of highly experienced former military support domain advisors, all of which have combined 20 decades of hands-on development experience. We are advisors in various areas including aviation, healthcare, logistics, cyber, security forces, and education. We have a proven track record of ensuring that foreign military assets and international development projects align with intended goals set forth by the U.S. government and partner nations. Our company aims to be the primary link between U.S. interests, multinational corporations, and partner nations. With our language skills and cultural awareness, we can provide crucial continuity for international arrangements. Our leadership teams are uniquely adept at negotiating and advancing relationships, and are committed to delivering exceptional results for our partners worldwide.
